STUDENT'S RIGHT TO CANCEL

You have the right to cancel your Enrollment Agreement without obligation, and obtain a refund of charges paid, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give notice of cancellation to the school. The notice of cancellation need not take any particular form and, however expressed, is effective if it indicates that you no longer desire to be bound by this agreement. If you cancel this Agreement within the prescribed time period, the school will refund any money that you paid within 10 days after your notice of cancellation.

If the school has given you any equipment, you must return the equipment within 30 days following the date of the notice of cancellation. If you fail to return the equipment in good condition within this 30-day period, the school may retain that portion of payment paid by you equal to the documented cost of the equipment and shall refund the portion paid by you exceeding the documented cost to the school of the equipment within 10 days after the period within which you are required to return the equipment. Once you have paid for the equipment, it is yours to keep without further obligation.

Students who have not visited the school facility prior to enrollment will have the opportunity to cancel without penalty if notice of cancellation is given before midnight of the fifth business day following the first class you attend.
