

Program Information

DENTAL ASSISTANT

Kansas City, MO

Program Overview

Whether in a dentist's office or a dental clinic, the Dental Assistant performs many services on the dentist's behalf, including admissions work, preparing the patient for examination or treatment, performing laboratory work, and maintaining patient records.

Program Objectives

- To provide a learning atmosphere that is similar to an actual working atmosphere and an experience in the clinical area to correlate with classroom instruction.
- To provide the education and skills needed to pass a national registry exam, if needed.
- To instill in the student a sense of professionalism in behavior, attitude, and dress.
