

Program Information

PRACTICAL NURSING

Jacksonville, FL

Program Overview

As a vital member of the healthcare team, the Practical Nurse combines nursing skill with human understanding to care for both chronically and acutely ill patients in a variety of settings.

Program Objectives

The objective of this program is to prepare the student with sufficient theoretical knowledge and specialized practical skills to qualify for an entry-level position as a member of the nursing staff in an acute-care hospital, extended-care facility, physician's office, or other healthcare agency.
