

# Program Information

# PRACTICAL NURSING

Portland, OR

## Program Mission

Concorde Career College Practical Nursing Program ensures the healthcare community of competent graduates who are capable and productive entry-level practitioners. These individuals espouse professionalism, and adhere to established standards of care and ethical practice.

## Program Philosophy

The Vocational Nursing program is founded on beliefs that are consistent with the parent organization and the community at large. The faculty of the Vocational Nursing program hold the following beliefs about the individual, nursing, health, and nursing education.
