

Program Information

NURSING

Jacksonville, FL

Program Overview

The Nursing program prepares students for entry-level, Registered Nurse positions. Successful completion of the Nursing program leads to the award of an Associate in Science degree and permits the graduate to apply to take the National Council Licensure Examination for Registered Nurses® (NCLEX-RN) and to the State Board of Nursing for licensure. Licensure may be denied by the Board of Nursing for reasons that include, but are not limited to, fraud/deceit in making application, felony or misdemeanor convictions, issues with drugs or alcohol, or charges pending in any state.
