

Program Information

VOCATIONAL NURSE/ NURSING

North Hollywood, CA

Program Overview

As a vital member of the healthcare team, the Vocational Nurse combines nursing skills with human understanding to care for both chronically and acutely ill patients in a variety of settings. The program combines classroom study with clinical experience in a variety of settings. Upon completion of this program, the graduate will be able to sit for the National Council Licensure Examination—Practical Nurse (NCLEX-PN). Registration and certification requirements for taking and passing these examinations are not controlled by Concorde, but by outside agencies, and are subject to change by the agency without notice. Therefore, Concorde cannot guarantee that graduates will be eligible to take these exams, at all or at any specific time, regardless of their eligibility status upon enrollment.

Program Objectives

The objective of this program is to prepare the student with sufficient theoretical knowledge and specialized practical skills to qualify for an entry-level position as a member of the nursing staff in acute care hospitals, extended care facilities, physicians' offices, and other healthcare agencies.
